5. This is a REALLY LONG TEST QUESTION!

Basically just testing the case where you have a long ass question and need to select most of it. A real life example would be a lengthy essay prompt type question.

## Did you ever hear the tragedy of Darth Plagueis the Wise?

I thought not. It's not a story the Jedi would tell you. It's a Sith legend. Darth Plagueis was a Dark Lord of the Sith, so powerful and so wise he could use the Force to influence the midichlorians to create life... He had such a knowledge of the dark side that he could even keep the ones he cared about from dying. The dark side of the Force is a pathway to many abilities some consider to be unnatural. He became so powerful... the only thing he was afraid of was losing his power, which eventually, of course, he did. Unfortunately, he taught his apprentice everything he knew, then his apprentice killed him in his sleep. It's ironic he could save others from death, but not himself.

Write an essay expounding on the socio psychological paradigms explored by Sheev Palpatine's allegory of Plagueis the Wise.

This image shows a blank sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.
